**The Managing Director
Rolling Energy Limited
FCT Abuja, Nigeria.**

Dear Sir,

Letter of Interest for Rolling Energy CNG Franchise Partnership

I am writing to express my keen interest in partnering with Rolling Energy as a franchisee for the establishment of a Compressed Natural Gas (CNG) station at my filling station, **[Your Filling Station Name]**, located at **[Address of Filling Station]**.

As the owner of **[Your Filling Station Name]**, I recognize the growing demand for cleaner and more cost-effective fuel alternatives in Nigeria, particularly following the removal of fuel subsidies and the increasing focus on sustainable energy solutions. I am impressed by Rolling Energy's commitment to promoting CNG as a viable alternative fuel and would be honored to collaborate with your esteemed organization to expand CNG infrastructure in Nigeria.

I am prepared to provide adequate space within my filling station premises to accommodate the CNG infrastructure, which I understand Rolling Energy will establish and I will manage/operate. My filling station is strategically located in **[briefly describe the location, e.g., a busy commercial area or along a major highway]**, making it an ideal site for a CNG refueling station to serve both individual and commercial vehicle owners. As per the proportionate investment the profit share would be concluded.

I am confident that this partnership will not only enhance the services offered at my filling station but also contribute to Nigeria's transition to cleaner energy solutions. I am eager to discuss the terms of the franchise agreement, including the operational and financial arrangements, and to provide any additional information or documentation required to move forward.

Please find attached relevant documents, including proof of ownership of the filling station and an NMDPRA Approved site plan of the available space. I look forward to your positive response and the opportunity to collaborate with Rolling Energy to promote CNG adoption in our community.

Thank you for considering my application. I am available for a meeting or further discussion at your earliest convenience. Please contact me at **[Your Phone Number]** or **[Your Email Address]**.

Yours sincerely,

[Your Full Name]

Owner, [Your Filling Station Name]
